Communications Team Update

A LETTER FROM NED WARD '89 (SIR GAWAIN)

We've been hearing from more alums and students that they prefer email, or email and mail - which is great! But there's still a lot of alums we haven't heard from and we want to get your preferences in there.

Current C&G Society Stats:

- 1,937 Active members, both students and alumni
- 993 members (51%) either have no email, a bad email address, or haven't responded to any of our email letters yet.
 - **Gmail users** - these emails may be stuck in your Promotions folder - please move them to your inbox so you'll get them going forward.
- Delegation lists - We will be adding a full list for each year, including knights and ladies who are no longer with us on the new website. It's a process, but we want to honor all the members of each delegation. We ask for your help and patience as we update the old database; if you see inaccuracies, let me know.
- Alumni Outreach - The best way to reach classmates is having C&G students/alums reach out to fellow C&G alums directly or through the Dartmouth Alumni portal. if you're interested in helping to reach out to even 2-3 classmates, email Ned at ned@nedorama.com. Goal is to reach 100% of our alumni delegates and have their updated contact info to make us all better connected.
- Graphic Designers Needed - As we launch the new C&G Society website, we also need support from members with interest in UI/UX or graphic design. Please email ned@nedorama.com if interested.
- Your News - If you want to share news about you, other classmates, memories at the Castle, or anything else, feel free to reach out to me.

Many Fields,

Ned Ward '89 (Sir Gawain)

Mentorship Team Update

A LETTER FROM TIFFANY WANG '16, ARMOND DORSEY '20, CHRIS MEYER '17 AND VICTORIA NEVEL '16

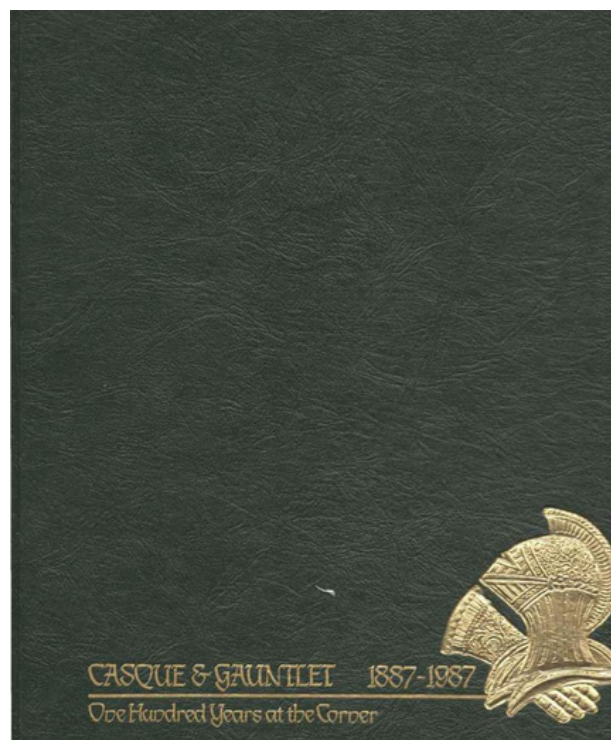

We had a call with the winter inductees from the Class of 2022 and they shared which formats and structures would be most beneficial to them, so we've created a mentorship proposal. To summarize, we have four main formats:

- **Career Panels w/ Meet & Greet:** Moderated panel of alumni in a variety of fields (as indicated by the current delegation) followed by meet & greet to allow students to ask more specific questions to the alumni on the panel and make some connections.
- **Mentor-Mentee Pairing:** Pairings as created based on shared passions and type of relationship (i.e. mentorship, sponsorship, coaching, etc.)
- **Alumni Database:** In partnership with the Database Team to create a running list of alumni, fields of study, preferred contact methods (more fields TBD) so students have the option of reaching out to various alumni
- **Third-Party Helpline:** For students who have questions, but don't know which alumni to approach or how to do so

We are working on piloting the career panels first as many of the 22s are still searching for internships and potentially job offers for next year. Tori sent out a survey to the 22s asking for availability and fields of interest. We aim to begin reaching out to alumni by the end of May and host the panel at the end of June.

Please email Tiffany.L.Wang@gmail.com with any thoughts, concerns, or suggestions!

Many Fields,
Tiffany

Vive la C. & G.
For thine are honors all others above.

*Vive la, vive la C. & G.,
Vive la, Vive la C. & G.!
Love is our might!
Truth is our right!
Vive la C. & G.!*

*Strong is the bond which thy votaries own,
Vive la C. & G.!
Loyal the service we yield at thy throne
Vive la C. & G.!*

Chorus

*Rare is the joy of each true-hearted Knight,
Vive la C. & G.!
Strong are our hearts, never craven in fight,
Vive la C. & G.!*

Vive la C. & G.!
Let us go boldly our quests to pursue,
Vive la C. & G.!*

Finance Team Update

Hello from Sasha Gilmore '21, Brenna Gourgeot '18, Adria Buchanan '08, Zainep Mahmoud '08, and Ned Ward '89!

On Tuesday (5/18) we officially turned over the P&L and accounting to Sasha Gilmore - she will be responsible for inflows and expenses going forward for student-related events, items, etc. Although, we will be available for support and consultation. Our goal is to be very transparent quarterly on where dues are going, what our expenses are, and to promote this transparency to all students and alumni going forward.

Involvement

In C&G Senior Society, there are many ways to connect with your fellow Knights and get involved!

For quick updates, join our workspace on Slack, a messaging platform that allows you to connect with other volunteers on your team.
