Historian and Engagement Coordinator Elections

A LETTER FROM THE ELECTIONS COMMITTEE

Greetings from the Elections Committee! According to our new bylaws, two board positions (Engagement Coordinator & Historian) began as 1-year terms. These initially short terms help us stagger board transitions. This year, these roles will begin a standard 3 year term. Please note that while these two candidates are running unopposed, our new bylaws require them to receive 125 votes to be installed on the board so your participation is crucial.

Come meet them at the annual member meeting! Online voting begins on July 1 and paper ballots will be mailed only to those who have either requested them or for whom we lack an email address.

Many fields,
Lena '08 -- Outgoing Board Historian

Hello all, and congrats to the recently graduated '22s and the new class of '23s (we are very lucky to have you!)

This year I served on the C&G Alumni Board as the **Student and Alumni coordinator**. As the term's duration is one year, I am running again to continue to serve the students and organization. This year was filled with challenges and successes! Working with the '22s and Alumni board, I filled an essential role organizing in-person meetings with significant student and alumni attendance for Homecoming and Spring Feast and worked closely with students to manage logistics pertaining to organizing documents, C&G traditions, connections, and student projects. Looking forward, I will build on this momentum on what is a pivotal year for the organization. I will continue to facilitate Alumni and student connections through discussions, in-person events, and creative projects already in the works. My goal this next year is to under-promise and over-deliver. I would also like to take this opportunity to personally thank the C&G alumni who have dedicated their time to these endeavors, and who have traveled from near and far to attend our events. None of what we do happens alone! Thank you for your energy in supporting a forthcoming discussion series, ideas for mentoring, and working to strengthen C&G's community.

Thank you, Han Vale '20

Hello!

I'm Ned Ward '89 (Sir Gawain), and congrats to all the new members of the '23 delegation! C&G was a great experience for me to have great discussions with a group of people that some of whom I might not have crossed paths with my previous 2 ½ years at Dartmouth.

As **Historian**, I'll work to ensure we capture and keep all of our new memories that the '23 delegation makes, but also to reach out and get the memories and info from our past delegations. I want us to have a rich history that delegates and alumni can view and share to better understand each other. I want to get into the Grail Room so we can catalog the knight name registry, as well as preserving any other documents, images, photos, etc. so that the spirit of C&G can live online for everyone, not just at the Corner.

In terms of qualifications, I've been the '89 Class Secretary since 2014. I created and manage our current Hubspot database and the website, and the goal is to add as much info as I can to the site to make it richer and richer. (If we have Wordpress-savvy alums, we'd love occasional help!). Thanks, and hoping to serve as Historian!

Many Fields,
Ned
