## SPRING FEAST 2025 | NEW VICE PRESIDENT

During Week 10 of Winter Term, C&Gs traded finals for finery and headed to Formal at new Hanover restaurant Little Havana (formerly the site of Candela, Duende, and Rosey Jekes). The Senior ('25) and Junior ('26) delegations bonded over delicious food and a student DJ set in a perfect end to a snowy Hanover winter. The student delegations express their heartfelt gratitude for C&G alumni whose generous contributions make events like this possible.

*A LETTER FROM C&G*

Before we announce the certified results of the most recent President and Vice President Board Elections, let us take a minute to acknowledge our former Vice President, Monique Roy '00.

Monique has served C&G for over a decade, both as a student, before the transition to the Casque and Gauntlet Senior Society, and after. She has been a steadfast pillar of institutional knowledge for our organization. Her smile and lightheartedness has made every Homecoming and Spring Feast that she attended memorable.

She has laid a path so that we can go forward in this organization with confidence, friendship, and whimsy. We are grateful for everything Monique has done.

THANK YOU, MONIQUE!

# ELECTION 2025 RESULTS

President Doug Chia '93 has been re-elected for his second and final term, per the bylaws established in 2020. Doug has helped the Casque and Gauntlet Senior Society stand on its own two feet over the last five years and we look forward to three more years of his leadership.

Vice President Noah Cramer '16 is excited for the chance to help support C&G's current delegation, to work with our great alumni, and to get to know the C&G community better. "C&G is a great organization, and I'm grateful for it. I would be honored to get to help play a role in charting its future."

## EXCITED TO GET INVOLVED?

C&G has many ways to connect with students and create a community with fellow alumni! Our next events are a meetup for cocktails in NYC, tapping the '26s, Spring Feast 2025.

## LINKEDIN NETWORKING

We invite you to join the C&G Facebook and LinkedIn groups! These groups are great forums to stay connected and up-to-date with our C&G community around the world, whether you're looking to meet up with fellow Knights or for career mentoring and networking. We're currently growing those spaces and would love to open them to C&Gs of all decades! The Alumni Engagement Team (Han V, Juan Q, and Brandon Z) is working on a mentorship and career connections program to be shared more broadly next year, so stay tuned!
